CEE Education Academy

We provide individual help needed on most courses offered in school curricula, including AP, Dual Enrollment courses, PSAT, SAT, ACT, SOL, assist with homework and more.

By holding sessions on-site in a one to one setting, we are able to provide a convenient and safe atmosphere that encourages focus and aides in creating a constructive learning environment. Our instructors are chosen not only for their knowledge and certification, but their ability to deliver and connect with and encourage students, leading to better long-term information retention and results .
