

CEE-Cisco Advanced Services Support and CEE Providing Unbeatable Hardware Software Discount Rate

CEE (Core Engineering Enterprises) Corporation architects, designs and implements cost-effective, Return on Investment (ROI), high performance and secure cutting – edge technology solutions for federal government agencies, government national, regional, and local offices, education organizations and commercial enterprises.

CEE’s Core Cisco Support Competencies

- **CEE Corporation brings full range of Cisco advanced services, experience and expertise** to each client engagement to help companies navigate their specific Cisco technology situation. We help companies plan and manage the Cisco changes in their systems to accommodate technology changes in their business structure. CEE helps companies confidently address Cisco technology-related decisions, ensuring their IT organizations, systems and operating models are agile and effective, and equipping companies to cut through technology trends to create enduring results.
- **Strategic planning for profitable IT and cost-effective Cisco solutions.**
- Planning, developing, and implementing seamlessly integrated Cisco enterprise-wide information systems
- **Analyzing, designing, installing, and configuring fault tolerant Cisco systems.**
- **Engineering, designing, developing, and implementing Cisco hardware, software systems.** Developing and managing feasible technical projects.
- **CEE is an enabler of premium Cisco technology solutions provider, systems integrator, global cloud advisor, and Software Defined Networking (SDN) technology specialist** providing Cisco security, managed services, staffing, training, program management, System Engineering Life Cycle (SELC) / System Development Life Cycle (SDLC), and engineering professional services consulting supporting various government agencies and commercial businesses’ Cisco systems. Our goal is to make it easier and more affordable by providing innovative technology solutions and exceptional services to your organization and taking your business to next level.
